**Overall Height:**

40.000 inches

**Assembly Method:**

Any acceptable

**Material And Location:**

Plastic, polyethylene single wall

**Face Width:**

33.000 inches

**Opening Location:**

Top

**Material Thickness And Location:**

0.6200 millimeters single wall

**Special Features:**

High density; heavy duty; 16 micron clear; 33 gal. Capacity; can liner on a roll

**Color:**

Natural

**Style Designator:**

Flat

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11100
