Overall Height:

40.000 inches

Assembly Method:

Any acceptable

Material And Location:

Plastic, polyethylene single wall

Face Width:

33.000 inches

Opening Location:

Top

Material Thickness And Location:

0.6200 millimeters single wall

Special Features:

High density; heavy duty; 16 micron clear; 33 gal. Capacity; can liner on a roll

Color:

Natural

Style Designator:

Flat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11100
