Overall Height:

18.000 inches

Overall Width:

22.000 inches

Assembly Method:

Stitching

Material And Location:

Nylon single wall

Opening Location:

Top

Special Features:

Made in accordance with grumman standard drawing gc28a

Color:

Black

Style Designator:

Equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11100
