Overall Height:

508.0 millimeters

Assembly Method:

Any acceptable

Material And Location:

Plastic, polyethylene single wall

Face Width:

304.8 millimeters

Perforation Feature:

Not included

Opening Location:

Top

Special Features:

1 military thick, low density, clear

Style Designator:

Flat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11100
