Outside Surface Treatment:

Enamel

Inside Surface Treatment:

Enamel

United Nations Standard Packaging Identification Designation Code:

6ha1/y1.4/100

Capacity Rating:

55.0 gallons

Material:

Steel, qq-s-698

Material:

Steel comp 1008 or steel comp 1009 or steel comp 1015 or steel comp 1018 or steel comp 1020 or steel

Material Specification:

Qq-s-698 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-d
