Inside Diameter:

15.380 inches

Closure Fastening Type:

Bolts

End Application:

Lightweight t

Product Name:

Locking ring, style no.1

Material:

Steel

Specification Data:

81346-astm-a109/superseded professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T252-f
