Maximum Operating Pressure:

450.0 pounds per square inch

Overall Height:

15.000 inches

Cross Section Outside Diameter:

5.750 inches

Cylinder Style Designator:

Tubular type

Shatterproof Feature:

Included

Cylinder Style Designator:

4

Part A Color Code:

Green

Part B Color Code:

White

Part C Color Code:

Green

Body Color Code:

Green

Color Coded Gas Type:

Oxygen

Capacity Rating:

280.000 cubic inches

Neck Thread Location:

Internal

Neck Closure:

Not provided

Special Features:

Thds: 1/4 anpt

Thread Size And Series/type Designator:

1/4 anpt

Specification Or Standard:

B-3 type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T162-b
