Breathing Air Compressed Gas Cylinder - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8120-01-042-6876

Maximum Operating Pressure:
250.0 pounds per square inch
Shatterproof Feature:
Not included
Color Coded Gas Type:
Air
Neck Thread Location:
External
Neck Closure:
Not provided
Special Features:
Air breathing
Thread Size And Series/type Designator:
5/18 unf
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T162-b
