Maximum Operating Pressure:	
3000.0 pounds per square inch	
Furnished Items:	
Plug	
Overall Height:	
Between 10.370 inches and 10.380 inches	
Cross Section Outside Diameter:	
Between 4.420 inches and 4.430 inches	
Cylinder Style Designator:	
Cylindrical type	
Shatterproof Feature:	
Included	
Part A Color Code:	
Black	
Part B Color Code:	
Green	
Part C Color Code:	
Black	
Body Color Code:	
Black	
Color Coded Gas Type:	
Air	
Capacity Rating:	
100.000 cubic inches	
Neck Thread Location:	
Internal	
Neck Closure:	
Provided	
Supplementary Features:	
End item c-5b aircraft	
Thread Size And Series/type Designator:	
1.0625-12 3b unj	
Specification Data:	
81349-mil-r-8573 government specification	
Specification Or Standard:	
A class and 1000 designator and 30-45 type	
Shelf Life:	
N/a	
Unit Of Measure:	
Demilitarization:	

No
