Gripping Accommodation Type:

Hexagon

Thread Diameter:

0.250 inches

Filler Neck Diameter For Which Designed:

Between 6.469 inches and 6.531 inches

Color:

Red

Material:

Steel body

Style Designator:

Compressed gas cylinder

Thread Series Designator:

Uns

Specification Data:

11939-01505220 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A083a0
