Maximum Operating Pressure:

2015.0 pounds per square inch

Furnished Items:

Valve

Department Of Transportation Cylinder Identifying Number:

3aa2015

Overall Height:

16.750 inches

Cross Section Outside Diameter:

4.100 inches

Identification Designator:

Part number 1100x17-3508; part number tv3545-32

Cylinder Style Designator:

Bottle type

Manufacturer Name:

Superior valve; harsco/sherwood

Shatterproof Feature:

Included

Part A Color Code:

Aluminum

Part B Color Code:

Aluminum

Part C Color Code:

Aluminum

Body Color Code:

Aluminum

Color Coded Gas Type:

Calibrating gas mixture

Capacity Rating:

10.000 cubic feet

Neck Thread Location:

Internal

Neck Closure:

Provided

Manufacturer Address:

Washington, pa.; lockport, n.Y.

Special Features:

USEW-IT-HFI-LLED

Thread Size And Series/type Designator:

3 1/8-11 ns

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T162-b
