Technical Nitrogen Compressed Gas Cylinder - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8120-01-469-9284

Supplementary Features	s:
------------------------	----

Length 25.5 in diameter,	6.9 in weight (empty),	13 lbs cylinder pressure,	4500 psig cylinder capacity,	88 scf valve connector qdc
Shelf Life:				

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T162-b
