Maximum Operating Pressure:

300.0 pounds per square inch

Furnished Items:

Valve

Department Of Transportation Cylinder Identifying Number:

4bw300

Overall Height:

51.500 inches

Cross Section Outside Diameter:

30.000 inches

Identification Designator:

Pn 092396000002; pn 1030x19-cl1; pn rv6661-300

Cylinder Style Designator:

Bottle type

Manufacturer Name:

Ceodeus inc; superior valve co; sherwood div, harsco corp

Shatterproof Feature:

Not included

Part A Color Code:

Yellow

Part B Color Code:

Orange

Part C Color Code:

Orange

Body Color Code:

Orange

Capacity Rating:

800.000 pounds

Neck Thread Location:

Internal

Neck Closure:

Provided

Manufacturer Address:

Export, pa; washington, pa; lockport, ny

Special Features:

FORU-SE-ASR-ECOV

Thread Size And Series/type Designator:

3/4-14 ngt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T162-b
