Maximum Operating Pressure:

300.0 pounds per square inch

Furnished Items:

Valve err-100 err-100

Department Of Transportation Cylinder Identifying Number:

Bkca4ba3000 or 4bw300

Overall Height:

36.000 inches

Cross Section Outside Diameter:

12.188 inches

Identification Designator:

Part number f2020006

Cylinder Style Designator:

Bottle type

Manufacturer Name:

Rotarex inc north america

Shatterproof Feature:

Not included

Part A Color Code:

Orange

Part B Color Code:

Orange

Part C Color Code:

Orange

Color Coded Gas Type:

Refrigerants

Capacity Rating:

150.000 pounds

Neck Thread Location:

External

Neck Closure:

Provided

Manufacturer Address:

Mount pleasant pa

Special Features:

LDUA-LC-ONT-ROLD

Thread Size And Series/type Designator:

3/4-14 ngt

Specification Data:

81348-rr-c910/1-superseded government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T162-b
