Maximum Operating Pressure:

800.0 pounds per square inch

Specific Gas For Which Designed:

Dichlorodifluoromethane

Shatterproof Feature:

Not included

Part A Color Code:

Orange

Part B Color Code:

Orange

Part C Color Code:

Orange

Body Color Code:

Orange

Capacity Rating:

1600.000 pounds

Neck Closure:

Not provided

Special Features:

Dot 110a800w; r-12 dichlorodifluoromethane; 30 inches outside diameter, 81.5 inches in length, ; two induction tubes 0.75 in. Dia.; 2 ea, valve couplings and six ea; pressure relief couplings; two valves per superior valve co. Drawing 1214b1; five ea. Fusible and one ea. Spring loaded pressure relief divices;

Thread Size And Series/type Designator:

0.75 14ngt ngt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T162-b
