Maximum Operating Pressure:

300.0 pounds per square inch

Department Of Transportation Cylinder Identifying Number:

4bw300

Overall Height:

51.500 inches

Cross Section Outside Diameter:

30.000 inches

Cylinder Style Designator:

Bottle type

Part A Color Code:

Orange

Part B Color Code:

Orange

Part C Color Code:

Orange

Body Color Code:

Orange

Color Coded Gas Type:

Monochlorodifluoromethane

Capacity Rating:

1050.000 pounds

Neck Thread Location:

Internal

Special Features:

Czht iii related gases/cylinders

Supplementary Features:

Neck closure: provided; furnished items: valve

Thread Size And Series/type Designator:

3/4-14 ngt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T162-b
