Maximum Operating Pressure:

1800.0 pounds per square inch

Furnished Items:

Valve

Specific Gas For Which Designed:

Nitrogen

Manufacturer Name:

Amerex corporation

Manufacturer Address:

7595 gadsen hwy. Trussville al 35173

Product Name:

Pneumatic release module

Special Features:

Fire detector, extinguishing system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T162-b
