**Maximum Operating Pressure:**

360.0 pounds per square inch

**Specific Gas For Which Designed:**

Nitrogen, dry

**Manufacturer Name:**

Pyro chem

**Manufacturer Address:**

One stanton street, marinette, wi 54143-2542

**Spec/std Controlling Agency:**

Pyro chem

**Special Features:**

This cylinder has a small amount of nitrogen and fm-200, extinguishing agent; end item: 180 l tank shpg assembly dot

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T162-b
