Overall Length:

2.000 inches

Overall Width:

48.000 inches

Overall Thickness:

48.000 inches

Supply Package Type:

Any acceptable

Water Resistance Quality:

Not included

Water Absorbency Rating:

Not rated

Flame Resistant Feature:

Not included

Fungus Resistant Feature:

Not included

Special Features:

Densi type 2.0

Material:

Plastic polyurethane

Specification Or Standard:

1 type and 2 class and c grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T125-e

Mil-std (military Standard):

Mil-p-26514 spec.
