Overall Length:

3.380 inches

Overall Width:

2.380 inches

Overall Thickness:

0.190 inches

Water Resistance Quality:

Included

Water Absorbency Rating:

Low

Flame Resistant Feature:

Included

Fungus Resistant Feature:

Not included

Special Features:

Black color, 3.5 lb per cu ft density, hydrolytic stability shall be in accordance with rev c

Material:

Plastic, polyurethane

Material:

Plastic polyurethane

Specification Or Standard:

1 type and 2 class and c grade and b category

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T125-e

Mil-std (military Standard):

Mil-p-26514 spec.
