Overall Length:

31.810 inches

Overall Width:

24.810 inches

Overall Thickness:

9.910 inches

End Application:

Fire control and bombing systems

Water Absorbency Rating:

Not rated

Special Features:

Includes polyethelene foam pad 5.50 lg, 5.12 wd, 0.50 thick; cushion has several cutouts

Material:

Plastic, polyurethane foam

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T125-e
