Overall Le	ength:
------------	--------

4.250 inches

**Overall Width:** 

4.250 inches

## **Overall Thickness:**

0.620 inches

## Water Resistance Quality:

Included

## Water Absorbency Rating:

Low

### Flame Resistant Feature:

Included

### Fungus Resistant Feature:

Included

### Material:

Plastic, polyurethane

## Material:

Plastic polyurethane

# Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

No

### Fiig:

T125-e
