Overall Length:

68.000 inches

Overall Width:

68.000 inches

Overall Thickness:

1.000 inches

Water Resistance Quality:

Included

Water Absorbency Rating:

Not rated

Flame Resistant Feature:

Included or not included

Fungus Resistant Feature:

Included or not included

Material:

Plastic, polyurethane

Material:

Plastic polyurethane

Specification Or Standard:

1 type and 2 class and c grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T125-e

Mil-std (military Standard):

Mil-p-26514 spec.
