Overall Length:

28.000 inches

Overall Width:

17.500 inches

Overall Thickness:

0.500 inches

Water Resistance Quality:

Included

Water Absorbency Rating:

Not rated

Flame Resistant Feature:

Not included

Fungus Resistant Feature:

Included

Product Name:

Cushioning material polyurethane foam 28x17.5x.5" gray or black

Special Features:

Flexible; dk gray or black; w/peel-off pressure sensitive adhesive; two pound density; conform to federal specification ppp-c1752b

Material:

Plastic, polyethylene foam

Material:

Plastic, polyethylene foam

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T125-e
