Overall Length:
16.350 inches

Overall Width:
11.600 inches

Overall Thickness:
0.500 inches

End Application:
Aim 120

Water Resistance Quality:
Not included

Water Absorbency Rating:

Flame Resistant Feature: Not included

Fungus Resistant Feature:

Not included

Not rated

**Special Features:** 

Used on cnu-431/e

Material:

Plastic, polyethylene foam

Material:

Plastic, polyethylene foam

Shelf Life:

N/a

**Unit Of Measure:** 

--

Demilitarization:

No

Fiig:

T125-e
