Overall Length:

72.000 inches

Overall Width:

24.000 inches

Overall Thickness:

2.000 inches

Water Resistance Quality:

Included

Water Absorbency Rating:

Medium

Flame Resistant Feature:

Included

Fungus Resistant Feature:

Not included

Special Features:

Color, orange; uncompressed bound fiber

Material:

Fiber

Specification Or Standard:

3 type and a class and 1 grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T125-e
