Overall Length:

39.750 inches

Overall Width:

15.750 inches

Overall Thickness:

3.900 inches

Water Resistance Quality:

Not included

Water Absorbency Rating:

Not rated

Flame Resistant Feature:

Not included

Fungus Resistant Feature:

Not included

Special Features:

Color charcoal

Material:

Plastic polyurethane

Specification Or Standard:

1 type and 2 class and c grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T125-e

Mil-std (military Standard):

Mil-p-26514 spec.
