Overall Length:

16.000 inches

Overall Width:

10.000 inches

Overall Diameter:

3.000 inches

Water Absorbency Rating:

Not rated

Special Features:

Color coding shall correspond to color numbers of fed-std 595; the colors shall be evenly dispersed throughou the material, the material, grade, color, and color number shall be, grade c, charcoal-fed-std 36118; supply package type is flat and is an insert foam for storage case

Material:

Plastic, polyurethane foam

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T125-e
