Overall Length:

46.000 inches

Overall Width:

6.000 inches

Overall Thickness:

3.750 inches

Water Resistance Quality:

Not included

Water Absorbency Rating:

Not rated

Flame Resistant Feature:

Not included

Special Features:

Cushion botton; cylindrical cut-out with rad. 1.75 in.

Material:

Plastic, polyethylene foam

Material:

Plastic, polyethylene foam

Specification Or Standard:

1 type and 2 class and c grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T125-e
