Overall Thickness:

6.400 inches

End Application:

Aircraft, phantom, mcdonnell douglas corp

Water Resistance Quality:

Included

Water Absorbency Rating:

Not rated

Flame Resistant Feature:

Not included

Fungus Resistant Feature:

Not included

Special Features:

Bound with elastic

Material:

Plastic, polyurethane foam

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T125-e

Mil-std (military Standard):

Mil-p-26514 spec.
