Overall Length:

14.000 inches

Overall Height:

0.500 inches

Overall Width:

14.000 inches

Product Name:

Load spread, top

Special Features:

9.850 inch hole in center

Functional Description:

Used on dl7516304

Special Markings:

53711-7516310

Supplementary Features:

Materail-high-density polyethylene (hdpe) (m101) color optional

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
