**Diameter:**

4.300 inches

**Thickness:**

0.380 inches

**Cushioning Material:**

Polyamide nylon

**Criticality Code Justification:**

Zzzy

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T141-e
