Overall Diameter:

6.440 inches

Overall Thickness:

0.310 inches

Water Resistance Quality:

Not included

Water Absorbency Rating:

Not rated

Flame Resistant Feature:

Not included

Fungus Resistant Feature:

Not included

Special Features:

Used in pa116 contr for 120mm m829 and m830

Material:

Plastic foam, molded

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T125-e
