Overall Length:

29.000 inches

Overall Width:

14.680 inches

Assembly Method:

Welded

Face Type:

Single

Aircraft Rail System Mating Lip:

Not included

Platformheight:

8.000 inches

Material:

Steel

Material:

Steel

Reference Number Differentiating Characteristics:

With short latch rod assembly 12914630-01

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T160-b
