Overall Length:

151.980 inches

Overall Height:

38.070 inches

Overall Width:

35.160 inches

Mounting Surface Plane:

Parallel

End Application:

Cnu-540/e

Window:

Not included

Accommodated Equipment Identifying Number:

Agm-142 model no.

Special Features:

Has lift and tie down rings; 2 handles for lifting cover; desiccant port; humidity indicator; pressure equalizing valve

Material:

Aluminum

Material:

Aluminum

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T358-e
