**Overall Length:**

151.980 inches

**Overall Height:**

38.070 inches

**Overall Width:**

35.160 inches

**Mounting Surface Plane:**

Parallel

**End Application:**

Cnu-540/e

**Window:**

Not included

**Accommodated Equipment Identifying Number:**

Agm-142 model no.

**Special Features:**

Has lift and tie down rings; 2 handles for lifting cover; desiccant port; humidity indicator; pressure equalizing valve

**Material:**

Aluminum

**Material:**

Aluminum

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T358-e
