Overall Length:

24.000 inches

Overall Height:

15.500 inches

Mounting Surface Plane:

Parallel

End Application:

Cnu-572/e

Window:

Included

Accommodated Equipment Identifying Number:

Aim-120-amraam model no.

Special Features:

Has humidity indicator; pressure relief valve; sight glass in both ends of container

Material:

Aluminum

Material:

Aluminum

Quantity:

2

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T358-e
