Overall Length:

64.250 inches

Overall Height:

38.500 inches

Overall Width:

44.000 inches

End Application:

Gbu-28b/b guided bomb

Product Name:

Container, bomb; container cnu-373b/e

Special Features:

5container dunnage has been updated to contain airfoil group parts for the enhanced gbu-28b/b airfoil groups. Container to hold each bsg-92/b airfoil groups during storage and transport.Provides enviromental protection to bsg-92b/b airfoil groups

Shape:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
