Overall Length:

53.000 inches

Overall Height:

40.000 inches

Overall Width:

53.000 inches

End Application:

Gbu-22/b guided bomb

Product Name:

Ecs container, container cnu-372a/e

Special Features:

Container to hold two each bsg-82/b airfoil groups during storage and transport. The container consists of two sections, a cover assembly and bottom assembly, joined by 12 latches. The interior of the container is fitted with cushions to hold four airfoil groups

Shape:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
