Overall Length:

153.500 inches

Overall Height:

31.500 inches

Overall Width:

30.000 inches

End Application:

Cnu-660-e

Product Name:

Shipping & storage container, carriage system

Special Features:

Weight empty is 930 lbs, weight loaded is 2,340 lbs, container has quick release cover latches, contains harness, cable and part required for through-container bit, capable of movement by sling, crane and 4 way fork lift, sealed container has humidity indicator and desiccant

Material:

Aluminum

Material:

Aluminum

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
