Overall Length:

33.07 inches

Overall Height:

42.13 inches

Overall Width:

33.07 inches

Mounting Surface Plane:

Parallel

Window:

Not included

Accommodated Equipment Identifying Number:

856a3339g01 drawing no.

Special Features:

Container is marked with cfm 56 and on lid-documents, technical data. Item is used to handle and carry no. 1 and no. 2 bearing support

Material:

Plywood and plastic, polyethylene

Material:

Plywood and plastic polyethylene

Quantity:

1

Shape:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T358-e
