Overall Length:

99.500 inches

Overall Height:

31.875 inches

Overall Width:

35.000 inches

Mounting Surface Plane:

Parallel

End Application:

1520-01-192-2478 helicopter

Window:

Not included

Accommodated Equipment Identifying Number:

Ah-1e model no. And ah-1f model no.

Special Features:

Item consists of upper and lower assembly for shipping main rotor hub assembly configured w/hub springs

Material:

Steel

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
