**Overall Length:**

58.000 inches

**Overall Height:**

55.000 inches

**Overall Width:**

48.000 inches

**Mounting Surface Plane:**

Parallel

**End Application:**

1520-01-106-9519

**Storage/shipment Condition:**

Hermetically sealed

**Window:**

Not included

**Accommodated Equipment Identifying Number:**

13076290 drawing no.

**Special Features:**

Container separates into upper and lower sections and includes breathervalue and humidity in detector for turret, sensor system on ah-64 acft

**Material:**

Plastic, polyethylene

**Material:**

Plastic polyethylene

**Shape:**

Rectangular

**Surface Treatment:**

Enamel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T358-e
