Overall Length:

58.000 inches

Overall Height:

55.000 inches

Overall Width:

48.000 inches

Mounting Surface Plane:

Parallel

End Application:

1520-01-106-9519

Storage/shipment Condition:

Hermetically sealed

Window:

Not included

Accommodated Equipment Identifying Number:

13076290 drawing no.

Special Features:

Container separates into upper and lower sections and includes breathervalue and humidity in detector for turret, sensor system on ah-64 acft

Material:

Plastic, polyethylene

Material:

Plastic polyethylene

Shape:

Rectangular

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
