Overall Length:

25.000 inches

Overall Height:

19.000 inches

Overall Width:

19.000 inches

Mounting Surface Plane:

Parallel

Window:

Not included

Accommodated Equipment Identifying Number:

881800 drawing no.

Special Features:

Carries apq-170 data converter

Material:

Plastic, polyethylene

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
