Overall Length:

102.000 inches

Overall Height:

40.000 inches

Overall Width:

44.000 inches

Mounting Surface Plane:

Parallel

Window:

Not included

Special Features:

Consists of lid container with forklift pineways; fully assembled and container is mechanically attached to base; used with the operating stripedge marking system

Material:

Fiberglass

Material:

Glass fiber

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
