Overall Length:

20.750 inches

Overall Width:

14.750 inches

Overall Thickness:

7.500 inches

End Application:

An/peq-1a laser marker, (soflam)

Water Resistance Quality:

Not included

Longitudinal Compression Feature:

Not included

Water Absorbency Rating:

Not rated

Flame Resistant Feature:

Not included

Fungus Resistant Feature:

Not included

Special Features:

Inavy: insert, lower; drawing name: insert, lower; color: black

Material:

Plastic, polyethylene foam

Material:

Plastic, polyethylene foam

Supplementary Features:

Material: 2 lb/cu ft density

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T125-e
