Overall Length:

12.500 inches

Overall Height:

3.000 inches

Overall Width:

9.008 inches

Mounting Surface Plane:

Parallel

End Application:

Fuel draw system, mark 105, mod 4, seaborn equipment platform

Usage Design:

Marine

Accommodated Equipment Identifying Number:

120924-1 drawing no.

Special Features:

Box as altered; part of an ecology tank, storage container; chemical conversion coating per mil-c-5541; epoxy-polyamide prime per mil-p-23377

Material:

Aluminum alloy

Material:

Aluminum alloy

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T358-e
