Overall Length:

28.000 inches

Overall Height:

18.000 inches

Overall Width:

10.000 inches

Mounting Surface Plane:

Parallel

End Application:

F-22 aircraft

Window:

Not included

Accommodated Equipment Identifying Number:

5hg00199-155, free play measuring kit part no.

Product Name:

Case, carrying

Special Features:

Has 2 latches and a handle, foam cut outs to fit tools of measuring kit

Material:

Aluminum

Material:

Aluminum

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
