Overall Length:

26.000 inches

Overall Height:

17.200 inches

Overall Width:

24.200 inches

Window:

Not included

Special Features:

Ofoam inserts shall be polyethylene conformong to ppp-c-1752, the case shall be equipped with a manual pressure relief valve that provides a means of equalizing pressure of vacuum differtials before opening the case

Material:

Plastic, polyethylene

Material:

Plastic polyethylene

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
